Message from the President

Linda Lieser—972-896-5905, linda.lieser@pisd.edu

April has been a very busy month in the FCWC! Many thanks to Sherry Craig, Joyce Pollacia, and Judy Paulson for choosing a lovely rock with engraving to remember all the dear ladies in our club who have passed away. Last Tuesday it was placed in the memorial bed near the other plaques and looks beautiful and natural in this setting. When you get a chance, please stop by and see it.

The April meeting was held in my home and featured two police officers who spoke to us about safety, using the internet, and protecting yourself against identity theft. It was a very enlightening evening and was well attended. Thank you, Diane, for providing us with yet another interesting program. Last Friday night was Casino Night, and we had a great time honing our gambling skills. Many couples attended and enjoyed visiting with each other as they listened to country western music. Dickey's Barbeque provided us with delicious food, and the atmosphere in the barn was warm and cozy with its blue and white checked tablecloths and fresh flowers. Lauralee spent many hours planning this special event, and we are grateful for all of her hard work. Thanks also to the other members and spouses who helped make this night such a success.

I can't believe that my time as President has come to an end. I have enjoyed representing this group for the past two years, and look forward to being a member for years to come. As everyone knows, a club is only as good as its members and the trustworthy people who volunteer and "make things happen." We have always had wonderful board members who continually volunteer their time, talent, and ideas to provide a "topnotch" woman's club in Forest Creek. I look forward to working with the new board and our upcoming wonderful President, Judy Paulson. See you at the Installation Dinner in May! Please make a special effort to attend this dinner to honor our current and new board members.

1st Vice President – Membership

Shannon Martin—214-725-0089, shannonmartin3@gmail.com

We have another new member! Please join me in welcoming Lisa Fox to the Forest Creek Woman's Club. This puts membership at 114 for this season. We have had quite a few homes sell in our neighborhood over the last month, so if you have met any new neighbors or know of a new address, please drop me a note and let me know where they are so I can go meet them. The Forest Creek Woman's Club is always open to new members; please let your neighbors know about us!

2nd Vice President—Programs

Diane Apprill—972-618-2412, [daprill@aol.com](mailto:dapprill@aol.com)

What a wonderful group for the Internet Safety program at Linda Lieser's home! Phil Pollacia started us off right with "Phil's Internet Safety Guidelines" and had a fabulous handout to go with his recommendations. Let me know if you would like a copy e-mailed to you. Detectives Minton and Neal from the Plano Police Department followed, and were incredibly informative about all of the activity in our area concerning identity theft, fraud, and internet crimes. The Detectives are putting together an article that will appear in the next newsletter as a summary for those who couldn't attend. Ladies, our check writing may be a thing of the past...just sayin'!...and locking mailbox inserts should be flying off the shelves after this meeting! We do have problems with our personal information, on credit cards, checks, and mail. One of our members shared that a document she recently mailed from her home (with all of her personal information on it) was stolen and described the horrible backlash it has caused their family. Detective Neal said she takes her mail into the post office to mail it. Crooks are even using devices to pull mail up out of the mail boxes in front of the post office during the day and stealing outgoing mail from inside the boxes. Consider how you handle your personal information!

I am so excited to extend an invitation to everyone for our annual End of the Year Banquet and Installation Dinner. We have reserved the entire **Chocolate Angel Restaurant** at Parker and Ohio for our evenings' festivities. FCWC is

providing the wines for everyone all evening as a way to say thank you to all of the wonderful women in our club. We will **begin promptly at 6:30** with fabulous appetizers followed by a decadent dinner and desserts. Your invitations with specific details about the menu will be arriving any day now, so select which of the entrées you would like and drop a check or cash at my house, 3436 Terry Drive, in my **NEW LOCKING MAILBOX** at the front door, right by the bell. Yup, I got the message from the Detectives and it came through loud and clear! Hope all of you can make it to the Chocolate Angel to welcome in our new Board and say thank you to our 2011-2012 Officers! Ladies, this is a night to truly enjoy ourselves, I sincerely hope you can take time from the CRAZY schedules that we all have to renew old friendships and establish new ones. My thanks to you for supporting FCWC this year!

MONT-MARIE SKIN CARE

13450 Inwood Road, Suite 400 Dallas, Texas 75244

We invite you to a wonderful experience in advance skin care. Look no further than Mont-Marie Skin Care. After 45 years of intense research conducted by an Aesthetician and a biomedical scientist, we have developed a unique skin care system designed to reveal healthier skin. By studying the chemistry of the body, we have developed a product that produces results and is competitively priced. Our state of the art skin care system is designed to balance the skin to restore its normal tone and condition.

Automatic Facial Lifting: The Non-Surgical face lifting equipment is an electronic device that helps rejuvenate facial muscles and skin tone by reducing unsightly skin wrinkles around the eyes, mouth, forehead, neck and cheeks. It supplies computer-controlled electro-stimulation signals to the wrinkled part of the skin. The aesthetician applies treatment by using two probes. Then according to the degree of the wrinkles, the aesthetician can set a highly precise adjustment to the type of signal, frequency range and the strength of current required. After finishing the treatment the skin tone is revitalized and the circulation is stimulated to maintain a proper balance of sebum and moisture in the skin.

It gently stimulates the muscles in your face and neck areas you may feel have lost youthful resilience. Our facial procedure is very gentle. There is no pain and no uncomfortable pressure... just the soft touch of cotton tipped probes. Your muscles will feel tighter and stronger. Your skin will glow and appear to keep lifting 24hours after each facial procedure.

Even after just one facial procedure, you will notice the difference.

The Benefits: Skin tone and texture, Rejuvenated complexion, glowing skin, smoothed/ refined sagging skin, smoothed/refined sagging muscles, face/neck toned and lifted.

We provide you:

European facial treatment for all skin types and conditions. Specializing in teenage acne; we educate how to treat your skin as well as what products to apply to keep skin healthy and clean looking. Our facials include skin analysis, deep cleansing, massage, and ionized steam.
