Message from the President

Linda Lieser—972-896-5905, linda.lieser@pisd.edu

Dear Ladies,

The cooler weather is finally here. It's beginning to feel like Fall. We enjoyed another great meeting at the lovely home of Diane Apprill this month. The topic of our presenter was inspiring and interesting. We all need to have the "mind of a champion," right? Our October barbeque was fabulous and well attended. A big thank you goes to Dana and Jay Harmon for offering their wonderful home. And, of course, a special thank you goes to Shannon Martin who helped to plan this fun evening. The food was delicious, and the company was great. We sure do have an interesting group of friendly people to get together with. Many other fun activities will be coming up soon, so stay tuned to our website. In the meantime, enjoy this cooler weather. In no time at all, the holidays will be upon us!

1st Vice President – Membership

Shannon Martin—214-725-0089, shannonmartin3@gmail.com

The fall social was a great success again this year. Special thanks to Dana and Jay Harmon for hosting this event. Their backyard was the most perfect place for a party and made it wonderful for socializing and enjoying the evening with everyone. Randy White's BBQ provided an excellent meal, and the weather...well what can we say? After such a hot summer the evening could not have been more perfect (and the men were particularly happy that Jay turned on the Rangers game)!

The membership drive is still going on. We currently have 104 members including some new neighbors and some who were members years ago and now have joined again. Take the time to say hello to someone you may not know. Please continue to encourage your neighbors to join us. We are a fun group with lots of diverse activities.

2nd Vice President—Programs

Diane Apprill—972-618-2412, dapprill@aol.com

I am so excited to present a **Shopping Showcase** for FCWC! We all have gifts to buy for the upcoming holidays, birthdays, etc. and I hope that you will enjoy the pleasure of shopping with some of the Best of the Best in our area. I have chosen six of the most talented vendors I have ever seen. Please join me for a relaxing evening of friendship and food...AND BRING YOUR SHOPPING LISTS! Check it twice, and be prepared to buy things for those that are naughty *and* nice! Cash is always welcome, but Dave Ramsey won't be here, so go ahead and bring the plastic and the checkbooks!

On **November 8th, at 7:00 PM**, we will have Joanne Valentini, (our own FCWC member & neighbor on O'Malley) demonstrating delicious food preparation and presentation techniques with her **Pampered Chef** business. I believe there will be some serious tasting involved here also! Gifts with purchase will be offered, depending on your price points. All of the items will be shipped directly to you (or your recipient) in plenty of time for the holidays. Checks, cash & plastic are accepted.

Nancy Freid with **Get it Together** can both accessorize and bling you out! Her thriving jewelry business will have you buying for yourself, and then for your friends! Fun and dazzling clothing accessories will complement her fabulous jewelry collections. Nancy has so many talents I can't even name them all! A pleasure to shop with....she accepts checks, cash & plastic.

Juli's Art Silks will be showcasing her own hand painted silk, in custom made clothing and accessories. Juli is bringing samples of her clothing line in multiple sizes for you to purchase that evening. Juli will also be featured in our April FCWC meeting demonstrating the art of silk painting. To make this easy, there will be a private area for you to try things on. Nobody will have anything like this, ladies! Checks, cash & plastic are accepted.

Our neighbor **Debbie Berman** will present her custom hand painted ornaments, cocktail dishes and toasting flutes. Debbie's talented sister in Nebraska has added to her show by sending us beautiful selections of infant ware, baby blankets, and baby bibs as well as the cutest holiday kitchen towels and aprons from her new line called **Jessiamae**, named for their Mother. Great for hostess gifts, parties and New Year's Eve celebrations! Cash & checks will be accepted.

Terry Wade is our creative outdoor artist in residence. You may have seen her creations flying around the neighborhood already, like the one at my front door last month. Yes, "*If the broom fits, wear it!*" was one of her designs! Terry will be showing her items for fall and the holidays out front and on the patio. FYI - Terry is also a talented floral designer....she accepts checks & cash.

Lisa Hammett with **Willow House, formerly Southern Living**, will be displaying her beautiful line of home accessories. She will be taking orders and helping with design basics during the evening. Lisa will happily ship items to your home for you, or directly to your gift recipients' home. Cash, checks & plastic are accepted.

Whew! I can relax now and enjoy the holidays!!! My shopping will be complete. In addition, these generous vendors are donating 5% of their overall profits to our FCWC. Please come by **Sherry Craig's home, 3416 Terry Drive**, and enjoy a glass of wine, a taste of great Pampered Chef recipes, and visit with friends while getting your shopping completed. Where else can you get so much done in one night?

MONT-MARIE SKIN CARE

13450 Inwood Road, Suite 400 Dallas, Texas 75244

We invite you to a wonderful experience in advance skin care. Look no further than Mont-Marie Skin Care. After 45 years of intense research conducted by an Aesthetician and a biomedical scientist, we have developed a unique skin care system designed to reveal healthier skin. By studying the chemistry of the body, we have developed a product that produces results and is competitively priced. Our state of the art skin care system is designed to balance the skin to restore its normal tone and condition.

Automatic Facial Lifting: The Non-Surgical face lifting equipment is an electronic device that helps rejuvenate facial muscles and skin tone by reducing unsightly skin wrinkles around the eyes, mouth, forehead, neck and cheeks. It supplies computer-controlled electro-stimulation signals to the wrinkled part of the skin. The aesthetician applies treatment by using two probes. Then according to the degree of the wrinkles, the aesthetician can set a highly precise adjustment to the type of signal, frequency range and the strength of current required. After finishing the treatment the skin tone is revitalized and the circulation is stimulated to maintain a proper balance of sebum and moisture in the skin.

It gently stimulates the muscles in your face and neck areas you may feel have lost youthful resilience. Our facial procedure is very gentle. There is no pain and no uncomfortable pressure... just the soft touch of cotton tipped probes. Your muscles will feel tighter and stronger. Your skin will glow and appear to keep lifting 24hours after each facial procedure.

Even after just one facial procedure, you will notice the difference.

The Benefits: Skin tone and texture, Rejuvenated complexion, glowing skin, smoothed/ refined sagging skin, smoothed/refined sagging muscles, face/neck toned and lifted.

We provide you:

European facial treatment for all skin types and conditions. Specializing in teenage acne; we educate how to treat your skin as well as what products to apply to keep skin healthy and clean looking. Our facials include skin analysis, deep cleansing, massage, and ionized steam. Facial treatments are customized for your specific needs such as: **Deep Cleansing:** Eliminates clogged pores and dead surface cells. **Acne Skin:** Intensive treatment to calm and stabilize skin. **Scars:** Reduction and softening of scar tissue, returning a healthy glow to skin. **Brown Spots & Pigment:** To fade and prevent reoccurrence of pigment discoloration. **Deep Lymphatic Drainage:** To evenly distribute skin oils, increase circulation and penetration of nutrients. **Regeno Collagen Treatment & Mask:** A rich nourishing treatment giving skin flexibility and a youthful look. **Muscle Toning:** A passive electronic massage to stimulate and activate the muscles of chin, eyes, and lips. **Eye Lash Tinting:** A non-irritating tint offering gentle color and soft conditioning for beautiful lashes. **Waxing Face and Body:** Special preparation and treatment of skin leave silky smooth and no irritation.
