Message from the President

Linda Lieser—972-398-2633, linda.lieser@pisd.edu

Dear Ladies,

Once again I look forward to a wonderful year of friendship and activities as the President of the Forest Creek Woman's Club. We have many dedicated returning members filling our Board positions this year, as well as some new ones. **Shannon Martin** has a special event planned in October to kick off our membership campaign. **Denise Provencher** will continue to take on the task of providing us with our wonderful newsletter, **Joyce Pollacia** will continue to monitor our budget, and **Sherry Craig** and **Sherry Coleman** will again be getting our website up and running. We will have some people new to our Board who will be taking on the many activities that our club has to offer. Many thanks to all of our Board members who have stepped down—you all did a wonderful job in providing us with the services that make the Forest Creek Woman's Club as great as it is. Please e-mail **Terrie Moniza** if you are interested in advertising your business in the newsletter. **Dana Harmon** will be our Sunshine person and she requests that any member who has information about another member/family member of the FCWC who needs a card or comforting call inform her as soon as possible so that she can get in touch with them. **Diane Apprill** will be our Programs Coordinator, and I'm sure that she will provide us with many interesting activities throughout this coming year. I thank **all the other members of our Board** for agreeing to hold a position and to help our club run smoothly throughout the coming year. I will continue to do my best to represent all the lovely ladies in the Forest Creek Woman's Club as your President. Until our first meeting, pray for cooler weather!!!

1st Vice President – Membership

Shannon Martin—214-725-0089, shannonmartin3@gmail.com

Well, I can't believe we are in the final throes of summer and it is time to enter a new season with the Forest Creek Woman's Club.

We have gone through a turbulent year within our community and the Woman's Club. We have lost some dear friends and neighbors these past few months. Yet difficult as it has been, these changes have brought growth, too. Many new wonderful families have moved into our community and we are happy to welcome them.

As with the changes going on in our neighborhood, the Woman's Club is also growing and going through change. If you are new to Forest Creek, have been with us for years, or maybe have just been away from the Woman's Club for a time, I think you will like the new energy of this dynamic group of women, and I urge you to get involved and give us a try.

I had an early peek at the yearly activities currently in plan by our 2nd VP of Programs, Diane Apprill, and what an exciting year she has planned for us all! You will have a wonderful assortment of activities to choose from in the coming months and I am sure you will find a host of wonderful and thought provoking programs that will be of interest to you.

I thank you for allowing me to serve as your Vice President of Membership and I urge each of you to encourage your neighbors, old and new, to come visit the FCWC. We have our **fall social coming up October 1st**. Don't forget it is open to everyone, FCWC members and nonmembers alike, and is always a great time. We also encourage all women to attend the **first meeting of the year on September 13th** where you will have an opportunity to meet many of the women of the FCWC. We will have registration stations available for those who would like to register during the meeting. We want to make this group the best it can be and a representation of this wonderful Forest Creek neighborhood. Each of you has so much to offer and I encourage you to share yourself with the Forest Creek Women's Club.

Everyone is invited to log onto www.fcwc.net and fill out the online registration. You may drop a check made out to FCWC in the amount of \$45.00 to my home, 3305 Terry Dr. There is a basket by the front door. Register today to make sure you are included in the new directory. The **deadline for registration in order to make it into the directory is September 15th**. I look forward to seeing you in September!

4th Vice President – Technology

Sherry Craig—214-227-0893, sherry.craig@bankofamerica.com

The Technology Team (Sherry Coleman) has been working on archiving the data from last year and preparing the website for another busy registration month. The website has everything posted and updated for the upcoming 2011-2012 year. You can check out the updated FCWC website at <http://www.fcwc.net/>. **Registration has begun**, so please logon and become part of this wonderful group of women! If you need help with registering, please contact a member of the Technology Team and we will be happy to help you. All registration needs to be done via the website to ensure your information gets into the FCWC database, and to allow registration in all of the fun activity groups. If you do not have your picture in the directory, please send us one and we'll get your smile out there! Please also remember to send us a picture of your pet for our Forest Creek Critters webpage. The Technology Team will be printing the FCWC Directories this year from the registration entries in the database. In order to get the directory printed by October 1st, **we are asking everyone to register by September 15th**. We look forward to another exciting year!

A Year of Entertainment and Enlightenment

Welcome to 2011-2012 Programs! We have a wonderful year planned for you that will pique your interest, enlighten and inform you as well as provide opportunities to socialize, enhance new and old friendships and be entertained. Here is an overview of our schedule for the upcoming year:

Please join us on **Tuesday, September 13th at The Conservatory, 6401 Ohio Drive**. This senior center is so stunning you will want to attend just for the experience! Located less than three miles from Forest Creek, it is located between Legacy and Spring Creek, on the west side of Ohio. Look for the Spanish inspired red tile roofed building that boasts a beautiful fountain in the circular entry. The Conservatory has most generously offered us complimentary use of their meeting room, bar and patio! Join us for libations, sweet and savory refreshments as well as an overview of what FCWC can offer you. Whether you have been a member for years, just moved here or are now considering a first time membership, we encourage you to come and “check us out.” We’d love to have you! **See you at 7:00 PM.**

On October 11th we will meet at my home, **3436 Terry Drive at 7:00 PM**. We are excited to have Angela Bruckner with **The Mind of a Champion** visit with us regarding our “coaching voice” (that little voice inside our head that either sets us up for desired results, or undesired results). Her presentation is engaging and comical while motivating us to take our “game” to the next level. This applies to our children, spouses and us. Discover how confidence, competitiveness, focus and self discipline work together to sustain your Winning Game Plan. You will leave inspired with the knowledge of how to motivate and achieve! **This is the one you don’t want to miss!**

November 8th will be our **Shopping Showcase**. We wanted to bring the best of the best to you! Join us for wine and cheese while you shop and place orders for these fabulous vendors: *Pampered Chef*, *Willow House* (formerly Southern Living), *Get it Together* (a jewelry and accessories company), Hand Painted customized Glassware and Ornaments by our own *Debbie Berman*, a custom line of Infant Wear called *Jessiema*, as well as *JuliArtSilks*, a line of women’s silk hand painted clothing and accessories. Shopping has never been so easy!

December 13th, please join us as four of our most generous neighbors open portions of their homes for our **Luminaria Holiday Home Tour and Party**. This is always a favorite night for all! So far we have been invited into the homes of Denise Hogan and Jaye Heil...can we add your home to our evening?

Come **January 10th** and be prepared to learn much more about yourselves! Sylvia Tooker will entertain us with her program **Handwriting Analysis - Traits and Signatures for Success** as well as giving each person in attendance a written analysis of their own handwriting.

Valentine’s Day will be a first for FCWC Meetings! **We are inviting the guys** to join us in learning CPR. Following CPR Training, we will have a wine tasting. This American Heart Association class called **Family and Friends CPR** requires no test, and you have the choice to participate in “dummy practice” or not. Bring your sweetie for this “heart healthy” night. RSVP’s required.

Join us **March 8th** for a **Fashion Shopping Extravaganza**, brought to you by **Chico’s** at Preston and Park. We will be in the ‘hood for this, as they are coming to us...and offering a 10% discount on all of their products that night. Fashion show!!!

April 10th we present **Julie Hamm, Silk Artist/Painter**. A former graphic designer and fashion illustrator, Julie designs her own line of silk clothing and accessories, as well as painting yardage for Dallas designer Abi Ferrin. Tonight she will discuss her designs and demonstrate her silk painting techniques.

In **May** we traditionally celebrate with our **End of the Year Banquet**. Be prepared for a bit of the unexpected?

Moms and Tots is a neighborhood play group that meets regularly. This is a great way to meet other mothers of preschoolers. This group is currently looking for a chairperson for the 2011-2012 club year. Planning group activities can be as simple as meeting at the park! Please select this activity group when you register or contact Kim Meeds at 972-208-8986, kimmeeds@verizon.net, if you would like to be involved.

If you know of FCWC members who are in need of our support, please call or email!

Showgirls

Ronnie Vokolek—214-957-2725
g.vokolek@verizon.net

Ladies, we are out to have FUN!

Our first foray is going to be to the AT&T Performing Arts Center. We are going to see “the last leading man,” Brian Michael Stokes, on **September 1st**. His Broadway hits include Kiss Me Kate, Man of La Mancha and Sweeney Todd. We do not have an exact price for the tickets – they will be in the neighborhood of \$20-\$25. **Please call me ASAP** and let me know if you will be attending. Please remember, if you commit to a ticket you are responsible for the cost even if you need to change your plans. We will carpool down to the theatre – but, of course, we will have a little “bubbly” at my house before we go. **Please be at 3517 Terry Drive no later than 6:00 PM!**

For our Showgirls who are into prior planning, here is the schedule for 2011-2012:

- 10/13/2011 **Hamlet** at the Addison Shakespeare Festival, tickets \$10. Everyone (husbands, kids, grandparents, etc.) is invited.
- 12/11/2011 **It’s Only Life** at Theatre 2, tickets \$25. Songs of celebrated cabaret and Broadway composer, John Bucchino.
- 3/8/2012 **Tiger Be Still** at Dallas Theatre Center, tickets TBA.
- 4/19/2012 **August: Osage County** at Water Tower Theatre, tickets \$32. We saw this play last year at AT&T – simply fabulous. Absolutely riveting.

If anyone has additional suggestions we are delighted to incorporate them into our schedule.

Wine and Dine 2011

Ronnie Vokolek—214-957-2725
g.vokolek@verizon.net

We promise you will leave each dinner delighted with the meal, the conversation, and the company of friends. Also, we laugh a lot!

The dates for the dinners are 10/29/2011, 1/14/2012, 3/10/2012, 5/26/2012.

The menu for our first dinner will be:

- Appetizers: Zucchini Rounds with sun-dried tomatoes and roasted peppers
Grilled Figs with prosciutto and gorgonzola
- Hors d’oeuvre: Mussels with smoked bacon, lime and cilantro

- Dessert: Black and white napoleons with fresh berries

Please call Ronnie Vokolek (214-957-2725) or Judy Paulson (972-618-3049) for all the details.

MONT-MARIE SKIN CARE

13450 Inwood Road, Suite 400 Dallas, Texas 75244

We invite you to a wonderful experience in advance skin care. Look no further than Mont-Marie Skin Care. After 45 years of intense research conducted by an Aesthetician and a biomedical scientist, we have developed a unique skin care system designed to reveal healthier skin. By studying the chemistry of the body, we have developed a product that produces results and is competitively priced. Our state of the art skin care system is designed to balance the skin to restore its normal tone and condition.

Automatic Facial Lifting: The Non-Surgical face lifting equipment is an electronic device that helps rejuvenate facial muscles and skin tone by reducing unsightly skin wrinkles around the eyes, mouth, forehead, neck and cheeks. It supplies computer-controlled electro-stimulation signals to the wrinkled part of the skin. The aesthetician applies treatment by using two probes. Then according to the degree of the wrinkles, the aesthetician can set a highly precise adjustment to the type of signal, frequency range and the strength of current required. After finishing the treatment the skin tone is revitalized and the circulation is stimulated to maintain a proper balance of sebum and moisture in the skin.

It gently stimulates the muscles in your face and neck areas you may feel have lost youthful resilience. Our facial procedure is very gentle. There is no pain and no uncomfortable pressure... just the soft touch of cotton tipped probes. Your muscles will feel tighter and stronger. Your skin will glow and appear to keep lifting 24hours after each facial procedure.

Even after just one facial procedure, you will notice the difference.

The Benefits: Skin tone and texture, Rejuvenated complexion, glowing skin, smoothed/ refined sagging skin, smoothed/refined sagging muscles, face/neck toned and lifted.

We provide you:

European facial treatment for all skin types and conditions. Specializing in teenage acne; we educate how to treat your skin as well as what products to apply to keep skin healthy and clean looking. Our facials include skin analysis, deep cleansing, massage, and ionized steam. Facial treatments are customized for your specific needs such as: **Deep Cleansing:** Eliminates clogged pores and dead surface cells. **Acne Skin:** Intensive treatment to calm and stabilize skin. **Scars:** Reduction and softening of scar tissue, returning a healthy glow to skin. **Brown Spots & Pigment:** To fade and prevent reoccurrence of pigment discoloration. **Deep Lymphatic Drainage:** To evenly distribute skin oils, increase circulation and penetration of nutrients. **Regeno Collagen Treatment & Mask:** A rich nourishing treatment giving skin flexibility and a youthful look. **Muscle Toning:** A passive electronic massage to stimulate and activate the muscles of chin, eyes, and lips. **Eye Lash Tinting:** A non-irritating tint offering gentle color and soft conditioning for beautiful lashes. **Waxing Face and Body:** Special preparation and treatment of skin leave silky smooth and no irritation.

Complimentary Conciliation! 10% off first time visit.

We will also visually inspect pool equipment for proper operation.

Pool Equipment Maintenance - We perform repairs and installations of most any pool equipment on the market.

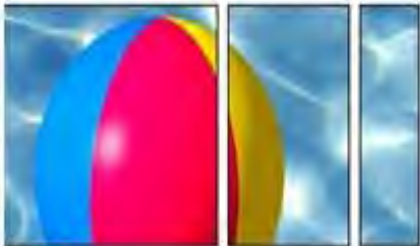

Filter Servicing - We recommend that you have your filter serviced twice a year. We will disassemble your pool filter, clean all filter elements, inspect assembly, make any needed repairs and reassemble the filter.

Pool Schools - Perfect for the new pool owner, who would like to learn how to operate their pool system and adjust his or her own chemicals.

Salt System Installations - We can convert most pools to a salt water system.

One Time Pool Cleanings - Perfect for the pool that has been shut down for a long period of time or when your pool just needs that extra cleaning.

Acid Washing - If your pool has some tough stains on its plaster, acid washing may be the way to go. It requires a complete pool draining and a mixture of chemicals to be sprayed on the plaster and then cleaned accordingly.
