

Treasurer's Report – August 2013

I hope you had a great summer! The heat backed off just enough for us to have beautiful yards and to enjoy getting out a little. I have heard about some wonderful trips taken this summer. I hope YOU had a chance to get away, see some beautiful sights and have some fun!

I, however, give it mixed reviews! Don't feel bad. Don't worry. We all take our turn at rough patches in the road. First, as you may recall, I lost my dear mother-in-law, Joyce, in April. Blake is executor of the estate, so that has kept us very busy. Then in June, our sister-in-law, Sherri, had a terrible wreck and was thrown head-over-heels for about 30 yards. We rushed to her side (We packed in 15 minutes!) in Bryan, and I stayed for a week to help. Miraculously, she was not paralyzed nor did she have brain damage. She has had two shoulder surgeries and will require a year of physical therapy. She still is not allowed to drive.

I did have a bright spot; I celebrated and celebrated my 60th birthday!!! Thank you, thank you, those of you who made it so special!

But then, last week I broke a bone in my foot. I've never broken a bone, but I suppose if you live long enough... Hopefully, this will not require surgery. They haven't decided yet.

In the meantime, here is our financial status:

Beginning balance	3874.35
Receipts	1500.00
Disbursements	590.00
Ending balance	4784.35

Just a reminder: If you would like to pay electronically, simply log on to your bank's website and click on "bill pay". Establish "Forest Creek Women's Club" as one of your accounts. Instead of an account or routing number, enter my address, 3321 San Simeon Way. Your bank will send the club a check. You can use this all year long!

Respectfully submitted,
Patty Moore
