Message from the President

The summer flew by and now we are ready to start a wonderful year of friendship and activities through the Forest Creek Woman's Club.

We have several new people joining the FCWC board. Lisa Chill will be welcoming new people to the neighborhood and will be encouraging everyone to join our organization. Terry Brown will be keeping all of the activities up to date. Barbara Desco will be providing lovely treats for the general meetings. Keeping everyone on task, will be Marsha Schwartz as she records the minutes. The newsletter will be perfect as we have Pat Parker proofreading each month. Lynn Brule will keep us informed on all HOA news and Ellen Brigham will chair a special couples event in February. Taking over as Webmaster is Denise Provencher. Kristie Towers is already working on securing paid advertising for our directory and newsletters. Joyce Milarski will be coordinating the block captains to make sure all written communication is delivered promptly.

The board would not be complete without the women who have consented to serve another year either in the same position or chairing a different position. With these seasoned veterans and with our new board members this board promises to be a great one! I know I will enjoy working with each and everyone.

Diana Hueter has planned an exciting FIRST general meeting. It will be held at the Deerfield Club House. Please plan on attending. I encourage everyone to ask their neighbors and friends and think about carpooling. I look forward to seeing you at our first general meeting!

Thank you!

Judy

Welcome back to another exciting year.

Diana has planned many fun events for this year. The Forest Creek Women's Club is one of the reasons we chose Forest Creek as home after a yearlong search for a house in Plano. The September meeting would be a great opportunity to invite our neighbors new and not so new to the meeting. I encourage each member to invite one or two neighbors. Our membership drive is underway and we would love to have all of the women in the neighborhood join. Last year we had 117 members let's make 120 members our goal this year.

We are in the midst of planning our annual Fall Social for all Forest Creek Residents. Please see details below and be sure to RSVP with payment by the date noted, as we must give final numbers of attendees to the caterers. Mark your calendars for an evening of fall fun.

Well, the summer just flew by and here we go with another exciting year of fun and friends!

I have to say a huge **thank you to Denise Provencher** for all the help she gave me on the Newsletters last year, she was very patient and a wonderful proof reader! Now she takes on an even bigger challenge—I wish her the very best!

I also want to thank Pat Parker for volunteering to be my new assistant and proof reader, I'm sure I'll learn a lot from her also. Welcome aboard Pat!

Last but certainly not least, I would like to thank all the Board members and Chairpersons for getting me their articles on time. Each month is an entirely different challenge with the newsletter, so I appreciate the time to try to get the newsletter right and out on time!

Thank you,
Sherry

We do have a full roster of Members, but are always looking for substitutes. Please feel free to sign up to sub for our group - we'd love to have you join us! We had a combination of happy and sad news this summer. Thank you to those who kept me informed during our break. Prayers are needed for former member and long-time San Simeon resident, Mary Kelly, who is battling colon cancer. Former member and past president, Mary Toler Kearns who moved to Florida this year, lost her 42 year old daughter-in-law in California. Cause of death unknown. The Lord gives and the Lord takes for Jennie Little's family this July. Her mother passed away and her new grandson was born in the same month. Jennifer Cevallos, Terry Dr., gave birth to a baby girl July 17th. Soledad Teresa weighed six pounds, 11 ounces. If you know of any FCWC members who are in need of support, please call or email me. Please keep our military and their families in your prayers

Service Project for FCWC- Fall, 2013

Coats for Kids is going to be our focus once again this fall. Bowman Middle School in East Plano will be the recipient of our service project. Many of the families at Bowman have limited resources, and according to counselors, many of their students go the entire winter without a coat. Our club will be donating coats for these children and their families. We will be collecting used coats, new coats and coats purchased at thrift stores or locally at double deep discounts. You are encouraged to participate in any way you would like, whether it be by donating used items, or perhaps giving a monetary donation. (Unfortunately we can't give you a tax receipt for your donation due to our club status, but we will tell you that these coats mean a child will not be cold!) Last year we were able to donate just under 100 coats and to say the school was beyond Thrilled is an understatement! Would love to break our record this year!

You can bring donations to meetings, or drop them off at my home (3436 Terry Drive). **Ideally we are looking for coats that could be considered warm and waterproof, with hoods, in any size from Infant through XXL.** If your donation doesn't match that criteria, no worries. The coat itself is the most important thing. When I purchase a coat, that is what I am looking for, however. And, if you are considering purchasing coats, just to let you know, I spend at most \$10 for a used garment, so your cash donation goes a very long way!

FCWC would like to make our donation early enough in the year that Counselors can distribute coats on those first few really chilly days. In addition to in-school distributions, Counselors and Staff work together to determine needy families from Bowman to invite to the school on a weekend to acquire coats in late October.

Breaking News! I received an anonymous donation of \$500.00 to put toward our project! This donation was made in Memory of Lisa Neuman, a fabulous, charismatic member who lost her battle with breast cancer a few years ago. That is nearly 80 coats already....Let's Go Ladies! It is going to be a very, very good year!

Thank you,
Diane Apprill

Comments from Forest Creek Residents -

"Wayne's professionalism in working with our insurance company made our roof replacement a painless procedure. Once the claim was approved, the work was done quickly with absolutely no mess left behind. I hope I don't need a new roof again any time soon, but if I do, I'll call Broadway Roofing!" *Sherry Coleman*

We were very pleased with the professionalism of Wayne Pitman and his Company, Broadway Roofing. The men working were efficient, cleaned up after themselves and did a beautiful job. We would highly recommend them! *Linda and Mike Lieser*
